

To whom it may concern

We have used Clean Slate as our window cleaning provider since March 2009.

During this period we have had no issues with the service they provide and many of our staff have commented on how much cleaner the windows and frames look since Clean Slate took over.

Clean Slate staff have always been on time. Have always been polite and always show care in their work. They work safely and efficiently and never disturb our staff.

I would recommend them to anybody requiring an outstanding overall window cleaning service.
